College of Engineering and Computing
Student Organizations
Your degree is not complete without involvement!
Consider participating in at least one of the many opportunities below!
Please visit the College of Engineering & Computing Student Services webpage for meeting times and locations.
http://cec.georgiasouthern.edu/advisement/student-organizations/

Association for Computing Machinery
Bettering students and their understanding of computing.
Faculty Advisor is Dr. De
Open to Computer Science majors
Dues are $30 a semester or $50 a year.

Association of Information Technology Professionals
GSU’s AITP Chapter is an organization that improves students’ technical and professional skills, and competence by hosting hands-on training and workshops to better improve their professional and ethical commitments.
Faculty Advisor is Dr. Thackson
Open to Computer Science & Information Technology Majors
No dues

American Society of Civil Engineers
Providing tools necessary for success in the academic and professional world.
Faculty Advisors are:
Dr. Maldonado and Dr. Cubas
Open to Civil Engineering Majors
No dues

American Society of Mechanical Engineers
Enables collaboration, knowledge sharing, career enrichment and skills development across all engineering disciplines, toward a goal of helping the global engineering community develop solutions to benefit lives and livelihoods.
Faculty Advisor is Dr. Vleck
Open to Mechanical Engineering Majors
No dues

Construction Management Guild
The Guild brings in companies to speak with students about construction projects and career opportunities for the students.
Faculty Advisors are Dr. Rogers & Dr. Martin
Open to all Construction Management & Civil Engineering majors
Dues are $10 an academic year

Construction Management Association of America
A professional student organization affiliated with CMAA Nationals.
Provides opportunities for Construction Management students to enhance their professional knowledge and networks through guest speakers, forums and conferences.
Scholarships available.
Faculty Advisor is Dr. Maghia
Open to all majors
$25 per semester (includes T-shirt)

Eagle Motorsports (Society of Automotive Engineers)
Georgia Southern’s racing team that participates in an international competition that involves designing, building, testing, and racing a Formula style race car and off-road Baja vehicle.
Faculty Advisor is Mr. Harp
Open to all majors - an application is required:
Dues are TBA

Institute of Electrical and Electronic Engineers
IEEE is the world’s largest professional association dedicated to advancing technological innovation and excellence for the benefit of humanity.
Faculty Advisor is Dr. Rios-Gutierrez
Open to all Electrical Engineering, Computer Science & Information Technology majors
Dues are $30 a year

Aurora Game Development Club
To serve any and all students in gaining experience in the game development industry.
Faculty Advisor is Dr. Harris
Open to all Computer Science Majors
Dues are $30 a semester or $50 a year.

Please turn over for a listing of more student organizations
Institute of Transportation Engineers (ITE)
An organization focused on Civil Engineering practices with an emphasis on the transportation field.
Faculty advisors is Dr. Purcell
Open to Civil Engineering Majors
No dues

National Association of Women in Construction
Faculty advisors are Dr. Manoosingh & Dr. Chen
Open to Construction Management Majors
There are no dues

National Society of Black Engineers (NSBE)
To increase the number of culturally responsible Black engineers who excel academically, succeed professionally and positively impact the community.
Faculty advisor Mr. Collins
Open to all Engineering majors
Dues are $15 a semester or $25 a year.

Optical Society of America
Faculty advisors is Dr. Haddad
Open to Electrical Engineering Majors
No dues

Pi Tau Sigma
Mechanical Engineering Honor Society.
Membership by invitation only.
Faculty advisors is Mr. Calamas
Dues are TBA

Robotics Club
Offering space for engineering and science students to learn, design, program and fabricate robots.
Faculty advisors are Dr. Alba-Flores & Dr. Rios-Gutierrez
Open to all Electrical Engineering, Mechanical Engineering, Computer Science majors
No dues

Sigma Lambda Chi
International Honor Society for Construction Management
Faculty advisors are Dr. Manoosingh & Dr. Dryden
Membership is by invitation only
There is a $60 initiation fee.

Society of American Military Engineers
Enables the networking of students and professionals from various fields of engineering, architecture, and construction to develop students' professional connections and introduce them to job opportunities.
Faculty Advisor is Dr. Dryden
Open to all majors
No dues

Society of Manufacturing Engineers
The world's leading professional society advancing manufacturing knowledge and influencing more than half a million manufacturing practitioners annually.
Student chapter activities include industrial tours, professional speakers, resume workshops, and networking.
Faculty Advisor is Mr. Harp
Dues are $20 a year
Open to Engineering students

Society of Women Engineers (WIT)
Giving women engineers a unique voice.
Faculty Advisor is Dr. Alba-Flores
Open to all Engineering students
No local dues

Women in Technology
Aims to advance women in technology -from the classroom to the boardroom. WIT meets its vision through a variety of leadership development, technology education, networking, and mentoring opportunities for women at all levels of their careers.
Faculty Advisor is Dr. Rasnick & Ms. Hawkins
Open to all IT & CS students

Tau Beta Sigma-Engineering Honors Club
Membership is by invitation only
Spring and Fall induction ceremonies
Faculty Advisor is Mr. Calamas
Dues are TBA

Upsilon Pi Epsilon (UPE)
Computer Science Honor Society
Membership is by invitation only
