Volunteer and Track Hours

Thank you for your interest in volunteering! Here you can find a list of agencies in and around Statesboro that would love to have Georgia Southern students volunteer with them.

Follow these steps below to log your hours via MyInvolvement:

**Step 1:** Log into your Georgia Southern account at my.georgiasouthern.edu.

**Step 2:** In the middle section under “Campus Life” select “MyInvolvement”

**Step 3:** If you are already a member of an organization on MyInvolvement skip to step 4. **If not,** navigate to “Organization” in the header menu and then search for and join the “Office of Leadership & Community Engagement.” You can also use the search bar on the home page to complete this step. Once joined proceed to Step 4.
Step 4: At the top of the main page, click on the circle with the letter of your first name.

Step 5: A new menu will pop up. Click on Service Hours.

Step 6: Click on the “Add Service Hours” button. Follow the steps on the “My Service Hours” page to properly request credit for your service hours. All service hour entries must be approved by an organization officer or campus administrator.
